“Hansel and Gretel” by Humperdinck is a fairy-tale opera with beautiful melodies and ear-catching songs.

Kanagawa Kenmin Hall has created a special 60 minutes' version of this opera, editing it to be performed with piano accompaniment. The great thing about this production is that it's specifically designed for a family audience, being sung in Japanese.

In 2019, it was performed in Minami-ashigara city and Hadano city and very well received. This year, the production visits Ebina city and Yokosuka city.
